D. WATER METER DEPOSITS-(No change in deposits)

- |    |  |          |
|----|--|----------|
| 1. | 3/4" Meter - Property Owners           | \$130.00 |
|    | 3/4" Meter - Tenant/Temporary Occupant | \$150.00 |
| 2. | 1" Meter                               | \$200.00 |
| 3. | 1-1/2" Meter                           | \$400.00 |
| 4. | 2" Meter                               | \$500.00 |
| 5. | 3" Meter                               | \$800.00 |
6. All meters larger than 3" shall require a deposit as recommended by the City Manager (to be determined by the average monthly consumption based upon the previous twelve months history).
7. Notwithstanding the foregoing, if in the judgement of the City Manager it appears that the amount of any water meter deposit is not sufficient to indemnify the City against the possible loss of water or the collection of charges therefore, the City Manager may, in his discretion, require a deposit equal to twice the amount of the largest actual or reasonably anticipated monthly or quarterly bill (or however the account is actually billed), notwithstanding the actual issuance of bills.
8. The City shall collect a deposit in accordance with the above schedule prior to the installation of any meter.

**E. RECONNECTION FEES**

Fees for reconnection of previously discontinued water service accounts by the City: \$50.00

**II. WASTEWATER RATE SCHEDULE**
